DHB Purpose, Values and Standards

At the heart of Waitemata DHB is our promise of ‘better care for everyone’. This promise statement is the articulation of our three-fold purpose to:
1. promote wellness,
2. prevent, cure and ameliorate ill health and
3. relieve the suffering of those entrusted to our care.

At the heart of our values is the need for all of us to reflect on the intrinsic dignity of every single person that enters our care. It is a privilege to be able to care for patients, whānau and our community, a privilege that is sometimes overlooked in our day to day work.
Our standards and behaviours serve as a reminder to us all about how we are with our patients and with each other.

Waitemata Health - JOB DESCRIPTION – Charge Nurse Manager Inpatients and Outpatients, ESC. Approved by Director of Nursing & Midwifery, 03/05/2018
Purpose of this role

The Charge Nurse Manager (CNM) is the professional and clinical leader who actively contributes to, and is accountable for, meeting key nursing and organizational priorities and objectives.

The CNM operationalizes the core values of nursing and the organization by ensuring a safe and supportive environment for patients and staff.

The CNM provides proactive, dynamic clinical leadership and operational management, coordinating the pre and post procedure care, staff, systems and resources to meet the needs of the patients and their families to the highest standard, efficiently and effectively.

The CNM is accountable for the professional development of staff to ensure they deliver excellence in clinical practice, managing clinical risk and implementing systems and processes to improve patient access to services and achieving quality outcomes for care.
