Purpose of the service:
Whitiki Maurea is a Maori clinical service within the Waitemata DHB District Mental Health Services Group. We provide clinical treatment in mental health and addictions with a Maori kaupapa (cultural values and concepts) approach.
Our Purpose, Values and Standards

At the heart of Waitemata DHB is our promise of ‘better care for everyone’. This promise statement is the articulation of our three-fold purpose to:

1. promote wellness,
2. prevent, cure and ameliorate ill health and
3. relieve the suffering of those entrusted to our care.

At the heart of our values is the need for all of us to reflect on the intrinsic dignity of every single person that enters our care. It is a privilege to be able to care for patients, whānau and our community, a privilege that is sometimes overlooked in our day to day work.

Our standards and behaviours serve as a reminder to us all about how we are with our patients and with each other.
